

apo **TRANSLATE** – latest generation AI translator

With **apoTRANSLATE** and **apoTRANSLATE plus**, we're bringing you the tools you need to further automate and optimise your processes.

Boost your efficiency with our online AI translator:

- ✓ Real-time translations into 30+ languages
- ✓ Automatic speech recognition
- ✓ Quality check by language professional if required
- ✓ Direct access in the myAPOSTROPH portal
- ✓ Can be saved as an app
- ✓ Access to other language tools
- ✓ Data hosted in Europe
- ✓ No storage of your data

"A lot of companies are faced with the question of how to integrate AI sensibly into the language workflow. With **apoTRANSLATE 360°**, we provide an answer that unites technology, control and personal support – in an intuitive and secure way."

Philipp Ursprung - Head of Translation Technology

Security

100% discretion and maximum security for your confidential data thanks to data hosted in Switzerland and ISO 27001 certified processes.

The **professional** and **advanced** versions of **apoTRANSLATE plus** offer practical additional features:

- ✓ Document translation
- ✓ File upload up to 100 MB
- ✓ Optimised with translation memory
- ✓ Optimised with company terminology
- ✓ **Synonyms and alternative wording**
- ✓ **Style (tone of voice) and Swiss language variants**
- ✓ **Adjustable text length**
- ✓ **Prompting**

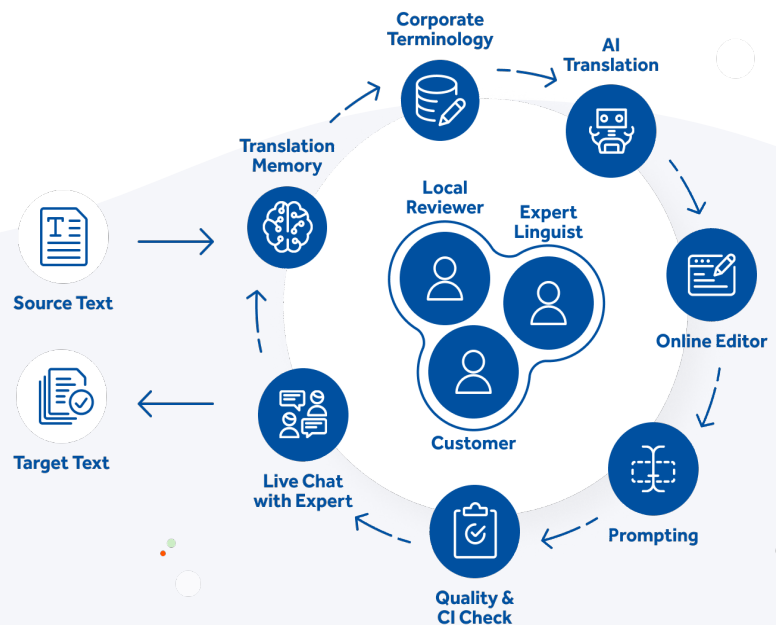

With company-specific output

With **apoTRANSLATE plus**, you can feed your internal terminology into the online translation tool and optimise the output by incorporating existing professional translations from your translation memory.

An overview of **apoTRANSLATE 360°**

Apostroph is now completing the circle with the new **Plus version apoTRANSLATE 360°**: AI translation, prompting and live support.

- ✓ Online editor and preview function
- ✓ Chat with the AI assistant
- ✓ **Quality check by the AI assistant**
- ✓ **Terminology and corporate identity check by AI**
- ✓ **Live chat with language professional**
- ✓ Collab link for external reviewers
- ✓ AI agent workflow for the best possible output

Book an online demo and get to know all the features of **apoTRANSLATE 360°**.

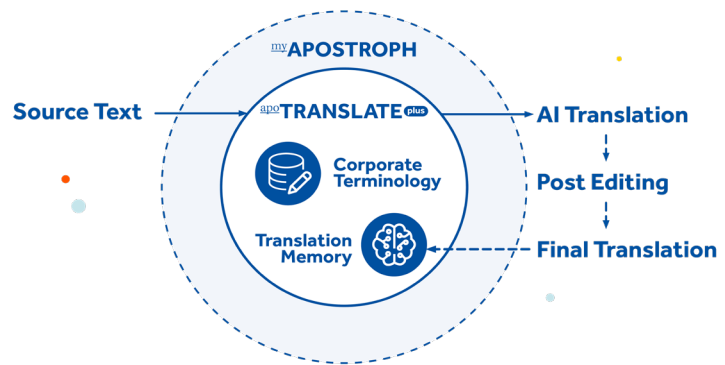

"With **apoTRANSLATE 360°**, we have reached a new level in the use of AI-supported language. Our solution is not just a tool, but a system that intelligently connects brand voice, technical language and teamwork."

Lucas Maire · Head of Digital Transformation and Products
